

Saint Christopher's Game Time Policy for Juniors During Finals.

At Saint Christopher's, our coaches strive to achieve player development and a place in the finals. We equip all of our coaches with information and tools to enable each and every player with the opportunity to learn and grow as a netball player in a fun and supportive environment. Furthermore, our coaches endeavour to give all players equal court time in the exception of injury, illness and holiday.

With the finals, it is club policy that each player in Junior B grade and below plays at least 2 quarters during a quarterfinal, semi final or grand final. The exception to this rule would be for disciplinary reasons where a coach's discretion is used for a player whom has not adhered to the club's Player Code of Conduct. It is not always easy to allocate playing position and we support our coaches in their decision on which players are on or off the court at a given time.
